DISPENSARY DIRECTORS

Elected—The Principal Work Of The Aldermen Last Night.

The board of aldermen held a regular meeting last night. All present; Mayor Taylor in the chair.

A proposition from Dr. Benbow to furnish macadam for the city was presented and ordered filed.

E. P. Wharton asked that Gorrell street be extended as far as the Bennett College property. Referred to street committee.

The board ordered that Chestnut street be put in good condition as soon as possible.

The board then went into the election of members of the board of directors of the dispensary. Alderman Merritt offered the following as the nominees for directors:

B. E. Sergeant, 2 years; E. J. Stafford, 4 years; R. D. Douglas, 6 years; A. W. McAlister, 8 years; R. W. Brooks, 10 years.

Alderman Berger offered the following ordinance, which was adopted: Be it ordained by the Board of Aldermen of the city of Greensboro, North Carolina, that no person shall at the same time be a member of the Board of Aldermen of the city and a member of the dispensary board.

Alderman Berger moved that the directors be elected one at a time and by ballot, commencing with the shortest term. Alderman Merritt offered a substitute that all the members be voted for at one time. The substitute was lost, Mayor Taylor casting the deciding vote, and the original motion was carried.

B. E. Sergeant was placed in nomination. There being no other nominations the clerk was instructed to cast the vote of the board for Mr. Sergeant. Upon this motion Alderman Will T. Sergeant voted in the negative and as a result a unanimous vote for the motion to prevail, it was lost.

R. E. Gilmer and W. E. Bevill were then placed in nomination and Ellington and Elam appointed tellers. Sergeant received 7 votes, Gilmer 4 and Bevill 1. Mr. Sergeant was declared elected for two years.

E. J. Stafford, P. D. Price and W. H. Osborn were nominated for the 4 year term. Stafford received 8 votes, Price 3 and Osborne 1. Mr. Stafford was declared elected.

R. D. Douglas and W. H. Osborn were nominated for the 6 year term. Douglas received 7 votes and Osborn 5. Mr. Douglas was declared elected.

A. W. McAlister, J. W. Fry and Judge John Gray Bynum were nominated for the 8 year term. McAlister received 7 votes, Fry 4 and Bynum 1. Mr. McAlister elected.

R. W. Brooks, W. E. Bevill and P. D. Price were nominated for the 10 year term. Brooks received 7 votes, Price 2 and Bevill 3. Brooks elected.

After the transaction of other business of minor importance, the board adjourned.

MRI. CARTLAND'S FUNERAL.

One of the Largest Processions Ever Seen Here.

The funeral procession of H. H. Cartland passed up South Elm street at 3:30 o'clock this afternoon. The procession was led by members of every secret order in the city. Next to them followed the hearse. The relatives and hundreds of friends followed in carriages.

Every store but two on South Elm street was closed, and as the solemn throng proceeded up the street no sound save the clatter of feet, was heard. As we go to press the immense throng are in West Market Street church, where the funeral is being preached. At the conclusion of the services the remains will be taken to their last resting place in Green Hill.

Get a pair for the little folks. You can buy infant's Dongola, Tan and Patent Leather sandal slippers for 40, 50, 65 and 75 cents a pair at Thacker & Brockman's. Larger sizes for children and misses in the same proportion. We make a specialty of children's and infants shoe and carry the largest assortment in the city.

A New Cabinet.

The Benbow House today received a new and beautiful office cabinet, which for beauty and elegance is seldom surpassed. It was made by the American Hotel Register Company and is a credit to them. The workmanship is par excellence. The cabinet contains advertising plates of the most artistic design and several of Greensboro's most prominent business men are represented on it.

An All Star Aggregation.

One of the neatest lines of Oxford ties ever shown in Greensboro is now offered at Shrier's. Ordinarily it is difficult to procure a comfortable shoe under \$1.50 or \$2.00 as they are usually stiff and unyielding to the foot. Such is not the case with our \$1.25 vicidix Oxford ties in black and colors made over the popular coin toe. These shoes are soft and flexible and guaranteed to give entire satisfaction. Shrier's, 216 South Elm st.

GALLANT RALEIGH COMING.

New York City Waits In Expectancy To Do Her Homage.

THRONGS OF WELCOMING CRAFT

Daily Bedecked in Bunting Skip Over the Lower Bay Eager to Be in the Escort.

By Wire to THE TELEGRAM.

New York, April 15—Official information has been received from the navy department by the Mayor's Reception Committee to the effect that the Raleigh is expected to arrive at Quarantining about 4 this afternoon.

Some of the committee hope the warship will arrive at an earlier hour. All preparations are complete for a brilliant reception.

MANY SORTS OF CRAFT.

New York, April 15—The lower bay is alive with many sorts of craft dressed in bunting. There a continuous procession of vessels bound for the Hook to meet the cruiser Raleigh. Two captured Spanish gunboats, which will participate in the escort, attracted much attention steaming down the narrows. The Raleigh is expected to reach Tompkinsville at four o'clock this afternoon, when the parade will start up the Hudson. If she does not arrive at that time the parade may be postponed until tomorrow.

NO TIDINGS YET.

New York, April 15 (3:00 p.m.)—No tidings yet of the Raleigh. Large crowds of spectators, including many ladies, line the shores of the bay and the docks along the river. Land batteries are stationed at many points to reinforce the fort in saluting.

By Wire to THE TELEGRAM.

Paris, April 15—The Eclair today publishes the report of Governor Coyer, and the reception by Dreyfus of the news of the revision of his case. Dreyfus had written his wife that he wished to suicide. When asked to testify he said that he had nothing to say. He did not remember anything. He once told the physician attending him, "They are afraid my family will betray the famous incriminating letter. They are afraid the Kaiser will get knowledge of it. But they are not afraid of my wife, who will take our two children and throw herself at the feet of the emperor and ask him for justice."

Dreyfus told the governor he had nothing to say to the court of cassation in November of last year. He wrote the governor that when tried he asked Casimir Perier, who was then president, for a public trial which the latter promised him under conditions which Dreyfus swore to observe. But publicity was not granted, although he knows not why.

By Wire to THE TELEGRAM.

Philadelphia, April 15—At the opening of the Quay trial this morning, Goldsmith was recalled, and Rathbun asked him at what periods of time the calculations in the "Red Hook" were made. This was objected to on the ground that it would be time to settle it when the book was actually in evidence. Objection sustained. The question was regarded as looking toward getting the contents of the book before the jury before the book had been admitted as evidence. Rathbun accepted the ruling, and Goldsmith was dismissed the second time.

SATURDAY, APRIL 15, 1899.

A NOBLE EXAMPLE.

Mr. W. A. Erwin, president of the Ewin Cotton Mill, has made another move in behalf of education among his operatives. Yesterday morning he went through the mill and took a census of those who could not read or write, and later in the day informed them that he had employed Prof. T. J. Henry to conduct a night school for their benefit. In addition to paying for the teacher, Mr. Erwin told them that he would furnish books for those who were not able to buy them. The school will begin next Monday night and will run five months. —Durham Special to Raleigh Post.

It gives us much pleasure to publish this act of friendliness to education by one of the large mill-owners of the state. It is of far greater benefit to Mr. Erwin's employees than if a raise of 100 per cent. had been made in their wages, and shows that in his veins flows the milk of human kindness. If all the rich men of North Carolina were as noble-hearted as those Durham gentlemen, what immense strides toward future greatness the Old North State would make.

Such acts as Mr. Irwin's have the power of awakening in the breast of many a poor girl or boy that thirst for knowledge and that aspiration for a higher and nobler life that he or she would have never known if left alone in their ignorance. Who knows, but there is some poor laborer daily pursuing his weary duties, whose hands are destined to "sway the rod of empire," and who, some day, in the zenith of his greatness, will bless Mr. Irwin for the opportunity that led him to drink at the empyrean spring.

"Just the art of being kind
Is all this sad world needs."

The administration's earth-hunger seems to increase in intensity. It is announced that Rear Admiral Howison is to start on the cruiser Chicago from the Brooklyn navy yard next week to circumnavigate Africa. We have not been informed of the motive of this contemplated cruise around the Dark Continent, but presume it is for the purpose of allowing the Eagle to quaff the sweetnes of the oriental zephyrs, and incidentally to make a demonstration to the southern savages of her many virtues, that some of them may ask to be annexed to the great western empire. The H. tentots will no doubt be smitten by the beauty of the bird's tail or the curve of her Roman neck, or awed into submissio by those dangerous looking claws.

Within the great domain of Russia more than 20,000,000 souls are said to be dying for bread. Yet this nation which disputes with England pre-eminence among the landowners of the earth, continues to add millions upon millions to her great standing army and her four separate navies. But the czar has made a proposal for national disarmament, yet he fears to set the example, for the great British lion with a rush and a roar would spring from its lair onto his eastern provinces. And the peasants must continue to starve unless the big heart of America comes to their aid.

One of the most tiresome things before the public gaze—eclipsing even the beef investigation in bore-someness by several degrees—is that Quay business before the Pennsylvania legislature. Seventy-four ballots have been taken and nobody has been elected and nobody shows any signs of weakening, and the contest has developed—or degenerated, either—into a very dull farce. Each man of the whole push who is struggling for the senatorship seems to be so "trifling" that his friends do nothing but try to keep anybody from getting elected.

The news comes from Washington that President McKinley has at last been satisfied with Algerism, and is now quite willing to accept the war secretary's resignation. The hope that Alger will resign is a forlorn one. He'll have to be kicked out.

To the Citizens of Greensboro and the
Public at Large:
We respectfully announce that
Messrs. Bogart, Stroud & Rees

gladly recommend these young men to
all who may need their services, and
with the assurance that you will get
value for your money. Their
force is composed of expert tailors
every individual an artist in his line.
A trial will convince you further
than our statement. Give them your
work. Very Respectfully,
Rankin, Chisholm, Stroud & Rees

A message received from Randleman
this morning stated that Mrs. Fred N.
Ingold, Jr. nee Miss Nettie Ferre,
was dying. This news will be received
with profound regret.

Mr. Roscoe Ward, who has, for
some time, held a position with the

The two weeks term of Federal court
closed this morning, and Judge Pur-
cell, with his family, left at noon for

were disposed of, though the docket

more.

goods, can be seen at the establish-

L. M. Scott, of the Good Roads Ma-
chine Company, of Pennsylvania, at
the Benbow. This company manu-
factures the portable roller and crusher,
probably the most used of all road ma-
chinery. It is thought that Mr. Scott
is here to try to interest Guilford's
commissioners in the purchase of road
machinery, and it is hoped that he, or
some other company, will succeed.
Guilford's public roads are, in nearly
all places, in fearful condition, and
the commissioners cannot invest better
than in improved road machinery.

Juniors Receive Seniors.

A novel and delightful reception was
given in the parlors of the brick dormi-
tory at the State Normal and Indus-
trial College last night. The members
of the junior class entertained the
seniors and the evening was a most
pleasant one. The guests and hostess
were dressed in colonial costumes and
among those present were Lady Wash-
ington, Mrs. Madison and other promi-
nent ladies of colonial times. It was
strictly a social evening, the time
being spent at games, conversation
and beautiful music. It is customary
for the juniors to receive the seniors
every year and last night's reception
is said to have surpassed all those of
former years.

Every day the growing
crowd gives evidence of their
appreciation of our new idea
of progressive merchandising
and we find a most pleasing
result from our new method.
Instead of figuring how to
make the largest profits, we
find better results from figuring
how to use greater pur-
chases, and day by day our
business increases, because in
creating the outlet we are
enabled to dispose of larger
quantities—and in many in-
stances the manufacturer's
entire stock in a few days' time.
We don't mean by this that we can give you one
dollar's worth of goods for
five cents, but we do mean
that we often buy such stocks
at a great sacrifice and we
give our customers the bene-
fit. The manufacturers come
to us because they know that
no quantity is too large and
no quality too fine for us to
handle.

Every table will be laden
with bright new bargains in
desirable white goods, wash
goods, dress goods, silks,
ribbons, laces, embroideries,
etc., etc., for this week's
sale.

Shrier's First Offerings.

We take pleasure this season in presenting for your consideration what
we consider the finest assortment of Form-Fitting Shoes for men and ladies,
misses and children, ever shown in Greensboro.

Our lines for Spring are now complete and only await the prestige of
your approval.

Every new idea in quality and finish, ease and comfort, grace of style
and excellence of workmanship are embodied in this season's production.

Owing to our central location and the nominal expense required to
conduct our business, we are enabled to sell our goods 25 per cent cheaper
than at home in Greensboro, quality and workmanship equal.

The question where to buy good and reliable goods at the right price is
a very important one. We feel that if you call on us, we can answer the question
to your entire satisfaction, and make a lasting impression besides.

Do not be deluded by the thought that the assortments in the large
cities are greater. The quantity is greater, but the assortment is not
better, and the price is correspondingly higher, owing to the increased
expense.

Kindly call on us at your earliest convenience and allow us to prove
to you that these statements are true.
